

**PRODUCT NUMBER: 1030754HS**  
**HW ADAPTEC Smoke, regular, Red/Black, HS**

One Style. Three Sizes. Customized Fit & Performance. Research Shows that different facial features demand customized adjustability. Setting out with a new approach to safety eyewear, Honeywell wanted to create a product that would fit everyone - no matter their gender, ethnicity, or facial features. Adaptec is an adjustable eyewear system that can be worn by the widest range of workers and still deliver excellent protection, superior comfort, customized adjustability, premium optics and a stylish look! Now with New Hydroshield Coating providing better anti fog and anti scratch coating

**Overview**

**Reference Number**

1030754HS

**Product Type**

Eye and Face Protection

**Range**

Spectacles

**Brand**

Honeywell

**Industry**

- Building and Construction
- General Industry
- Maintenance

**Features & Benefits**

**Feature**

Adjustable nose bridge

**Benefit**

Three position nose bridge is simple to adjust and keeps eyes centered in the lens, where optical clarity is best. Workers' vision is less strained so they experience less eye fatigue, work more comfortably for longer periods and can more clearly see their work.

**Feature**

Self-Adjusting Nose Pads

**Benefit**

Soft, flexible material allows each nose pad to independently conform to the wearer's face, delivering greater comfort, contact and stability.

**Feature**

Adjustable Lens Angle

**Benefit**

Improves safety & reduces fogging! Each temple hinge ratchets to seven positions - 30 degrees of custom adjustability so lens is angled for both optimal eye protection and ideal space for air circulation.

**Feature**

Temple micro-adjustment

**Benefit**

A proprietary temple design (patent pending) that allows workers to adjust temple tension anytime, safely and without removing eyewear. Workers can adjust for personal preference or task at hand - a firmer fit for active work or a lighter fit for general wear. The temple arm of the Honeywell Adaptec features a rigid insert that slides to control pressure against the head. Wearer can slide insert from front to back for a firmer fit, or back to front for a looser fit.

**Feature**

Three Sizes to choose from(Regular, Narrow & Wide)

**Benefit**

Means the right protection, improved performance and optical clarity for everyone in your workplace regardless of gender, ethnicity or facial features. Honeywell Adaptec is a product that can fit to anyone!

**Feature**

One Style

**Benefit**

Means simplicity of stocking and ordering as well as consistent eyewear usage by all workers in your facility. No longer is there a need to stop 3-5 different styles of eyewear from multiple manufacturers.

**Feature**

Vented, cushioned frame

**Benefit**

Means being able to see clearly, with less fogging

**Feature**

Hydroshield Coating

**Benefit**

The dual action HydroShield anti-fog lens coating provides more than 20X longer lasting fog-free performance - even after extended wear and repeated cleanings – and provides 2X greater scratch-resistance\*
