

Ref.2643 ARES AIR PRO

An industrial safety helmet designed for great comfort and the highest grade of protection. The robust ABS + polycarbonate shell features wide ventilation holes protected by metal mesh covers. The energy absorbing internal shell is made of high-density EPS foam. The webbing suspension system adapts to the shape of the head for a uniform and comfortable fit. The vertical position of the polyamide headband is adjustable both in the front and back. Turn dial adjustment is easy to operate with one hand and ensures a secure and precise fit. Adapter kit for small heads is included. The helmet comes standard with sweat-absorbing padding on the suspension system. Water-repellent foam replacement padding is also included in the packaging. The chin strap can be easily removed when using the helmet for ground operations and the buckle is designed with a safety release to break away between 15 and 25 kg. Equipped with attachment points for ear protection, visor and headlamp. Available in 4 colors and further customizable with 9 versions of colored stickers. One size fits all. Standards:
