

PRODUCT NUMBER: 1015635
**Honeywell 5311 ML - FFP3 NR
 D - with valve and facial seal**

Honeywell

Overview

Reference Number
 1015635

Product Type
 Respiratory Protection

Range
 Disposable APR

Line
 Moulded masks

Brand
 Honeywell

Brand formerly known as
 WILLSON

- Industry**
- Automotive and Part Manufacturer
 - Building and Construction
 - Food Industries
 - Foundry
 - Iron and steel industry
 - Medical and Pharmaceutical
 - Mining and Quarrying
 - Textile Industries
 - Wood Industries

Product Use
Application: Textile, mining, construction, iron and steel industries, car body preparation industry, woodworking (including oak, beech, exotic woods), agricultural and horticultural activities, food industry, cutting and moulding of metals, pharmaceutical manufacturing, nuclear industry, toxic waste treatment, battery (Ni-Cad), biological risks, etc ... Protects against dusts, mists and fumes containing calcium carbonate, clay, kaolin, cellulose, cotton, flour, ferrous metals, cement, sodium silicate, sulphur, glass fibers and plastics, hardwood, coal, quartz, non ferrous metals, copper, aluminium, barium, titanium, vanadium, chrome, manganese, molybdenum, antimony, nickel, platinum, rhodium, strychnine, uranium, moderately radio-active particles, vegetal and mineral oils, metal-working fluids (*this list is non-exhaustive*).

Maximum usage level: can be used in atmospheres containing solid and/or liquid aerosols in concentrations up to 50 (20 in UK, FIN, D, I, S) x WEL* (high toxicity). "NR" (Non Reusable) marked, it can be used one single shift (according to EN 149:2001+A1:2009). Certain restrictions or limitations may apply in the case of specific contaminants. Please refer to applicable health and safety standards.

Limitation to use:
 This single-use filtering half-mask should NOT be used in the following situations :

- oxygen concentration is less than 17% (oxygen-deficient atmospheres)
- contaminants or their concentrations are unknown or are immediately dangerous to life or health
- contaminants concentrations exceed levels fixed by applicable health and safety standards or 50 (20 in UK, FIN, D, I, S) x WEL*

- in the presence of toxic or radio-active contaminants
- in the presence of gases or vapours
- fire fighting.

Caution:

We recommend users to ensure that the level of protection offered by the respirator is sufficient for the type and concentration of contaminant(s) in the work area.

For use only by trained and qualified personnel.

Leak-tightness is unlikely to be achieved if the mask is worn against a beard or facial stubble.

This respirator does not supply oxygen.

* WEL : Workplace Exposure Limit.

Features & Benefits

Feature

Heat-moulded shells: shape maintained even in moistened and heavy loading environments. Soft and hypoallergenic full face seal with absorption properties, a tight sealing film and a unique design, highly adapted to the nasal area. It offers great comfort and perfect fit. Preformed and coloured nosebridge to save time to perfectly adjust the mask and to instantly identify its protection level. Large inner volume to easily communicate and breathe. Shielded exhalation valve with an exclusive design to breathe easily and to avoid any risk of leakage due to a membrane damage. Twin elastic straps, ultra flexible and resistant, stapled outside of the filtering area to avoid any risk of leakage. Lightweight respirators (18g) to reduce wearers' fatigue. No latex, no silicone, nor PVC.

Benefit

Safety, comfort and high level of fit. Maximum performance and breathing comfort during the entire period of use. Ease of adaptation to the users' face: quick and effective. Excellent field of vision. Compatible with safety spectacles. No risk of allergy and the widest range of industrial application. Environment-friendly.

E.C. Declaration of Conformity

The manufacturer or its legal representative supplier in the European Community:

Honeywell Safety Products Europe

Declares that the Personal Protective Equipment described here after conforms to the provisions of the European Council Directive 89/686/CEE:

Designation: Honeywell 5311 ML - FFP3 NR D - with valve and facial seal

Reference: 1015635

Standard(s): EN149:2001

This PPE is the object of the below EC examination certificate n°:

And is subject to the procedure set out in Article 11 point B of Directive 89/686/EEC under the supervision of the below notified body.

Delivered by:
